Wenona,

FYI – you probably already heard, but the Oregon governor signed HB 5030.

Section 30 of the bill identifies that \$7.8 million of lottery bonds be transferred to the Oregon Business Development Department (Business Oregon) for distribution to the Confederated Tribes of the Warm Springs Reservation of Oregon for improvements to the Warm Springs Wastewater Treatment Plant, installation of water meters and improvements to the water distribution system.

Hi Rick,

HB 5030 was signed with the associated bond sale to occur in the Spring of 2021.

Please give a call if you have any follow up questions. Best, Jon

It is a very high likelihood and I know of no instance where signature did not occur at this stage.

Okay, thank you sir. The bill status indicates that the President of the Senate signed it, but nothing beyond that. I'll stay tuned then – lots of interest here.

Hi Rick,

I don't know if she has signed. The info below was provided earlier this week by Ed Tabor:

The Governor has 30 days post Sine Die (June 30th) to sign bills. So she has until the end of July to sign. We have no way of knowing when, between now and end of July, she will sign the rest.

All that said, we are mobilizing internally to coordinate on Warm Springs funding issues with meetings and a new internal email list to make sure both Salem and regional staff are all hearing the same thing.

Best, Jon

Jon,

Was this signed by the governor on July 3rd? The website appears to indicate that is the case, but I could be misinterpreting it.
